

YEARBOOK!!!

It's time to order the 2019-2020 OFRS "Bee Anything" yearbook! Orders are **ONLINE ONLY**. Please visit ybpay.lifetouch.com to order; the code for OFRS is 9963720. **Orders must be placed by April 13th**.
That is the absolute last day to order.

A few friendly reminders:

* Like every year, once the yearbooks go to print, that's all she wrote as they say. We were told last year that additional copies would **NOT** be sent (as per Lifetouch's new policy), yet we were sent 8 extra copies that all sold out. Will we be sent extra copies again this year?

The honest answer is: who knows? And we won't know until the yearbooks arrive in June. So, if you're interested in a yearbook, don't take a chance: please order now.

* If you're ordering a yearbook upgrade and/or package, please read the descriptions **carefully**; *the option of a hardcover yearbook might be an upgrade that you must check off.*
